First Friday Pub Run
Augusta Striders Running Club (Administrator)
The First Friday Pub run is a group run that meets every first Friday of the month at the North Augusta Municipal building. We leave at 6pm and run approximately 5 miles, stopping at 4 bars along the way. We also have an optional charity donation of 5 dollars per person, and in return, each person will be entitled to drink specials at the bars we visit. The bars we run to are Stillwater, Fox's Lair, O'Donovan's and the Highlander (in that order). Come on out and join us! It's a great time!

Founded in 1978 for the simple purpose “to feed the hungry in the community”, DCCM is a coalition of 14 Augusta churches that operate a centrally located food pantry in the heart of the city (430 8th St. between Greene and Telfair). By leveraging the collective resources from 14 different churches, DCCM has been able to provide a variety of food on a regular basis to individuals in need for over three decades. It is our vision that everyone in the Augusta community has access to nutritious food.

Bags typically contain canned goods and frozen items. We also provide fresh produce, bread, juice, cereal, and milk when available. DCCM is one of the few food pantries that operate 5 days a week. Nearly half of our clients receive food on a weekly basis.

DCCM Food Pantry has been operating in Augusta for over three decades. We are an established organization and our clients look to us as a reliable source of food. In 2011, DCCM served over 15,000 families with a total of 28,000 individuals receiving food commodities this year. 42% of those individuals were seniors and 24% of those individuals were children. DCCM has given away over 135 tons of food ranking us first in food pantries operating in Richmond County, and only second in all the GA counties in the CSRA (serviced by Golden Harvest Food Bank). Over 1400 families visit the pantry each month to receive food.

One of the hidden costs of poverty is the loss of time and cost of transportation required to travel from one service to another, then to wait in line, and then to often be told that more paperwork is needed, requiring another difficult visit. This is especially true for people with mobility issues, many of whom are barely surviving on disability. By providing a suite of necessary services at the same time every Thursday morning, GAP allows people to make better use of their time, to be a part of a caring community, and to be able to get support to live better or find their way out of poverty.

FOOD PANTRY

(https://goldenharvest.org/)
GAP serves an average of 105 clients each week who are provided with canned goods, fresh breads and produce, frozen meat, and hygiene products each Thursday from 10:30AM-1PM. The stock comes from Golden Harvest Food Bank (https://goldenharvest.org) and from donations from churches, individuals, Atlanta Bread Company (http://atlantabread.com) and Fresh Market (https://www.freshmarket.com). Persons with no place to cook receive a “walking bag” with a nourishing lunch. As an act of hospitality clients may shop from the shelves for foods they enjoy.

PRESCRIPTION ASSISTANCE

GAP has registered nurses and licensed pharmacists who volunteer each week to assist an average of 10 patients per week who need obtaining non-narcotic prescriptions. The nurses also provide counseling for people with chronic illnesses, especially diabetes, with a goal of encouraging long-term healthy management of the condition. Over the counter medications are also supplied on an as-needed basis.

PHOTO IDENTIFICATION

Without a photo ID, a person cannot find work, apply for housing or social assistance, visit a relative in jail, vote, or even get into some shelters. GAP volunteers transport clients to the Department of Driver’s Services each Thursday to obtain photo IDs, and pay their fees. An average of 26 clients per month are provided with a photo ID.
BIRTH CERTIFICATES

To obtain a photo ID or social security card, a birth certificate is needed. To get a birth certificate without an ID requires ingenuity and persistence. Many of our clients do not have birth certificates or the funds to obtain them. GAP assists in completing and mailing the applications to the state where the client was born. All fees are absorbed by GAP. GAP helps to obtain about 35 birth certificates each month.

DJJ SNACKS

Gap’s oldest ministry is providing snacks for youth attending counseling and education sessions at the Department of Juvenile Justice. This simple hospitality helps encourage the youth to be more receptive to their training.

CLOTHES CLOSET

Many clients struggle to stay warm in the winter. They walk the streets in worn out shoes. They need decent clothes for job interviews and to wear to church. The clothes closet provides a good quality used clothes, shoes, sock and accessories form which people can pick.

DIAPER CUPBOARD

Parents struggling to make ends meet find that diapers are not covered by Food Stamps or other assistance programs. Without funds to buy in quantity, they may pay several times per diaper more than affluent parents, often choosing between needed food and a dry baby and GAP buys diapers at a discount, and sells a week’s worth for $1.00.

STORAGE BINS
Many of GAP’s clients are living on the street or in shelters, and others are insecurely housed. They are couch surfing or sharing space where they have no secure storage. Some even discard their winter clothes in the spring because they are unable to carry them around. GAP provides 27 gallon bins in a secured area for people to keep their possessions and important documents.

Individuals wishing to take the High School Equivalency Exam in one or all of the GED subject areas may apply to attend the GED Preparation course. Students who successfully pass all four GED examinations will receive a GED Diploma, which will enable them to enroll in a program of their choice at Helms College or any other institution of higher learning. The earned GED credential will also open the door to better employment opportunities.
