Meet the Library

Meet Angelica

Angelica has been a Library Aide for 6 years. Her favorite thing about working at the library is there’s always something new and fun to do. Her favorite genre is the entire non-fiction section. Angelica says she spends way too much time on YouTube and web-surfing in general. This past year she’s learned to roller skate, skateboard, and play the ukulele. She hopes to be a graphic designer, travel the world and eventually live in another country one day. She loves cats and likes to stay busy with DIY projects when she’s not working or going to school.
